

ALWAYS WORKING FOR YOU

My name is Pat Fortini and I am committed to continue making your voice heard in Wards 7 & 8 and in our GREAT City of Brampton.

As we move forward, I am committed to continuing focusing on our economic recovery, as well as continuously improving the day-to-day operations of the corporation. I will continue efforts to strengthen and promote Brampton as a vibrant city, and support a long-term plan for residents and businesses to work together towards strengthening back our economy.

With the focus on advancing this term of Council's priorities, we continue to deliver key initiatives to move our city forward. We will continue to deliver the efficient and effective services that matter most and that our residents have come to expect.

We are making progress on major initiatives including bringing a new school of medicine to Brampton, building a new hospital for Brampton residents, and building Brampton Transit's third storage and maintenance facility.

As your Regional Councillor, I am committed to working with Council, both at the City and Regional levels, to improve transit and active transportation opportunities as well as focusing on Brampton's diversity, education, employment opportunities and neighbourhood services, plus building affordable housing and enhancing support for seniors and families.

About Pat Fortini

Born in Italy and raised with his one sibling by their mother and father, Pat Fortini learned early on the value of hard work, teamwork, and perseverance.

He graduated at the top of his high school class and led his high school in track and field as an athletic leader, all while working a part-time job to help his parents with the bills and putting food on the table.

Pat's leadership abilities have earned him the ongoing respect of the communities not only in Wards 7 & 8 but across the City and Province.

Pat comes with thirty plus years experience as a professional contractor, having built many communities, condo buildings and many popular structures we see across the Province of Ontario.

He spent the next two decades protecting his communities by volunteering with Not-for-Profit organizations, local sport groups as well as many Municipal, Provincial and Federal political campaigns.

Pat wants to continue serving as your voice on Council at the City of Brampton, Wards 7 & 8.

A voice that echoes your concerns.

A voice that matters.

Hello Residents:

It was my privilege to represent you on City Council, for the last 8 years. As a rapidly growing society, we must advance and continue to implement and develop strategies to improve our city. A few areas of mention are budget accountability that directly impact our citizens, our aging population, and health care issues for all ages/ethnic groups, business growth, prevention of traffic congestion and improving public safety and crime prevention.

I am fully committed to helping to improve the well-being of all Brampton residents. It's my responsibility to ensure that you are informed and aware of the current and ongoing issues that affect you.

Community involvement and communication is very important and I will strive to keep you informed at all times. I will also continue to be your voice at council to ensure that your concerns are heard and actioned.

Brampton has a promising future, and as your Regional Councillor for Wards 7 and 8, I will demonstrate leadership that our community can believe in supported by integrity, accountability and honesty.

On October 24th, 2022, your vote is your voice and I would appreciate your support to help see our city grow and prosper. If you share my vision, I urge you to connect with me and help make it happen! Together, we can make a meaningful difference for our families, our communities, and our country.

"Pat has been an excellent community volunteer and has supported our school and community in many events. He continued to be an excellent Regional Councillor!"

Beryl Ford
Former Trustee - Peel District School Board

"Pat Fortini is an amazing person who continues to serve our church. Pat has helped with several construction projects, clears our snow as well as for many seniors in the community. He has been a key person in helping build The Journey for Ardglen Neighbourhood Community Centre."

Pastor Jamie Holtom
North Bramalea United Church

PAT'S ACCOMPLISHMENTS & ACHIEVEMENTS SPEAK FOR ITSELF

We would like to thank Councillor Fortini for his time and efforts volunteering within our organization. Not only does he put his time and effort, but goes beyond our expectations. Pat has been instrumental in organizing bowling events for the past 4 years. He has raised the most money so far for Big Brothers Big Sisters of Peel.

In early April, the Province announced a further \$21 million towards the \$1.2 Billion Peel Memorial transformation into a new inpatient hospital with a 24/7 emergency department and expansion of cancer care services at Brampton Civic Hospital. I am so proud that City Council passed my motion for a special health care levy to secure funding for the local share thereby ensuring Brampton will finally receive the hospital capacity it so desperately needs.

I am proud to say that Pat Fortini is one of the most hard-working and dedicated Councillors I know, who has served his residents of Wards 7 & 8 with great pride and commitment. Pat was instrumental in supporting the name change of South Fletchers Sportsplex to Susan Fennell Sportsplex. I wish Pat Fortini success in his re-election.

Susan Fennell, Former Mayor, City of Brampton
